

November Announcement!

We have an update to share with you all - your 2010 Event Season Crew Coordinator Lua Anderson is leaving to pursue her master's degree. She leaves with a smile on her face and a message to all of you:

“This was a difficult decision for me to make as the cause is very important to me and I really love working with the crew! Thank you for all of your hard work and for making this past year such a wonderful experience for me! Hopefully I will be able to join you as a Crew Member in the summer of 2011. I wish you all the best!”

We welcome to our team Lisa Then, your new Crew Coach for all 2011 events. Lisa is brand new to our events bringing experience and knowledge in Event Management and Entrepreneurship. Lisa is very excited and looks forward to helping make the Weekend to End Women's Cancers' 2011 fun and exciting. As Lisa has had several family members affected with various types of cancers, she is even more motivated to be involved with this cause.

The Crew Assignment forms are on the website www.endcancer.ca under the participant centre section. If you have not already done so feel free to fill them out and get them back to the office as tasks are given on a first come first serve basis.

Keep an eye out on the website for details and information about an upcoming Volunteer Appreciation event coming in November! Please watch for details and information regarding upcoming Crew 101's as well!
